Important Guidelines

- This is exclusively outdoor activity, so, regrettably, if the weather is too bad, we will have to cancel at short notice. Research tells us parents and carers would still welcome the opportunity.
- Parents / Carers / Guardians will be required to stay on site during the sessions.
- Parking will be right next to your Play Zone
- Here is a visual illustration of how this will work:

IMPORTANT: Whilst we will operate according to the guidelines, we encourage parents/carers to decide as to the appropriateness of these activities for their children in terms of any underlying health conditions or vulnerabilities. In addition, please do not come to Arundel if Government advice means you should stay at home because you or someone you live with has or has symptoms of COVID-19, or you are in the most vulnerable category and have been advised to shield from the coronavirus.

BEFORE & AFTER VISIT
